Honorable William Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. *Bill* Casey:

STAT
STAT
As part of its ongoing series of open seminars on the public policy implications of critical emerging technologies, CSIS is pleased to announce that [redacted] the John D. Rockefeller Jr. Professor from Rockefeller University, will speak on the important topic of bio-technology. [redacted] will address some of the opportunities and problems of innovations in this expanding technical field as well as such policy issues as Federal and self-regulation of research and industry. He will entertain questions from the audience after his informal presentation.

STAT
I would be honored if you would join the Center's guests on April 25 from 4:00 - 5:30 PM in the Riverview Room of the Watergate Hotel (2650 Virginia Avenue), for [redacted] seminar. I enclose a response card for your convenience; we will welcome your selected representative if you cannot attend in person.

Sincerely,

STAT
[redacted]
President
